

M.J. Gibbs - Printable Book Mark "E"

Instructions

Materials

- Printer
- Cardstock that your printer can handle or paper if you prefer
- Scissors
- Hole punch - if you'd like to put a hole in the top to string ribbon or tassel through
- Glue

Get Creative

- Download printable PDF File
- Open file in Adobe Reader
- Select "landscape" print from the pop up settings preferences box
- Select Print "actual size"
- Load your printer with your selected cardstock or paper and print.
- Cut along outside cut lines and fold in half on center line
- Add glue (light amount) using paper glue or a glue stick
- Use your hole punch in the top center of bookmark and run a ribbon or tassel through the hole.

Have fun and Enjoy!!
